Auto Parts Business

We distribute auto parts for Korean, Japanese, European and American applications in domestic and overseas market. Speedmate has a firm reputation as No.1 IAM Brand with wide range of products, standard price policy, nationwide networks and innovative IT system.

Car Maintenance Business

Speedmate, the first franchiser in Korea's aftermarket, began a car maintenance business in 1993.

Our highly-skilled mechanics and guaranteed "Speedmate" parts keep customer's cars operating in top shape. We have taken the lead in Korea's car maintenance market by providing best-quality products and services at our 750 workshops.

Emergency Roadside Service Business

We launched our service in 1996, first in Korea, providing customers with high-quality care by developing nationwide networks and making aggressive investments in our system.

Annually, we provide more than 3 million customers with our services through 300 networks, 1,400 service vehicles across the country and location-based service system.

Rental Car Business

We are continuously expanding our rental business, based on service quality improvements and differentiated systems.

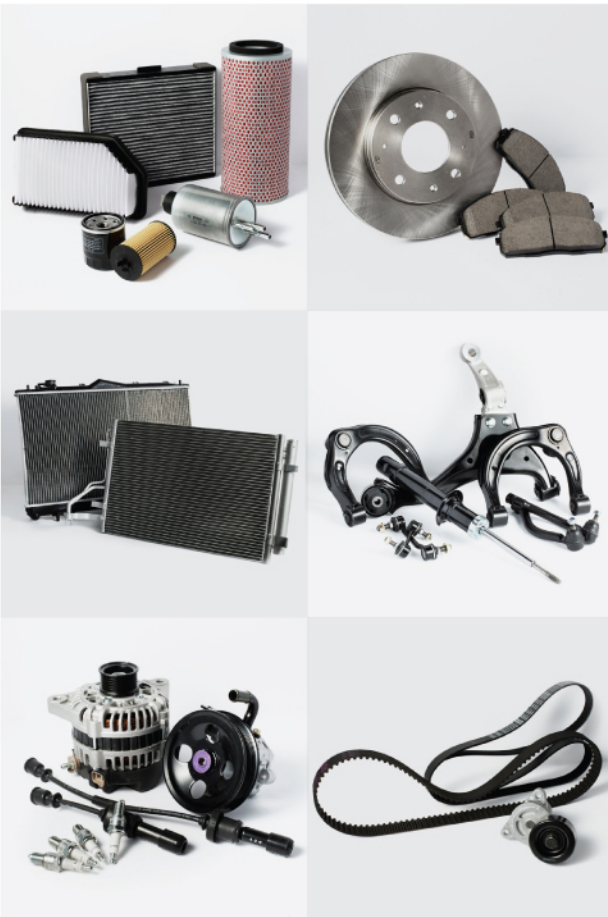

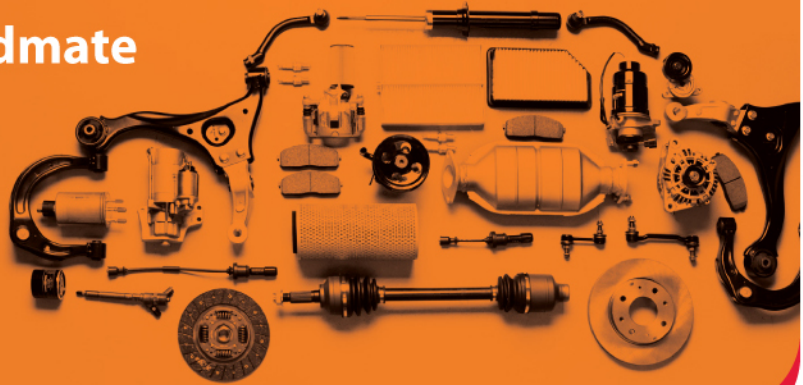

Our customized diverse rental services satisfy customers, and now we are operating more than 16,000 rental vehicles.

New Car Sales Business

In August, 2011, we were selected to be a GM Korea's exclusive dealer in Chungcheong and Honam region and began selling Chevrolet cars. Supported by a network of 55 sales outlets, we sold about 13,500 vehicles in the 1st half of 2012.
